Aims:

- Discuss IJB integration self-evaluations and improvement action plans.
- Finalise and agree our workplan for 2019/2020.
- Begin development of a template expenses policy.
- Prepare for our meeting with Minister for Public Health, Sport and Wellbeing.

Programme

10:00 Tea and coffee on arrival for 10.30am start

10:30 Welcome and introductions

Sharing local practice - updates from around the country.

Theme: IJB self-evaluations to review of progress of integration and development of improvement action plans. IJB's have recently undertaken a self-assessment of key features supporting integration – of which meaningful and sustained engagement is one. Were you involved in your IJB's evaluation process? And are you involved in the development of the subsequent improvement action plans?
